INTERNSHALA TRAININGS | Analytics Vidhya

CERTIFICATE OF SPECIALIZATION
Machine Learning

Aradhya Pavan H S,

has successfully completed a six-month Specialization
in Machine Learning. The specialization consisted of four trainings:

1. Introduction to Machine Learning
2. Advanced Machine Learning
3. Structured Query Language (SQL) for Data Science
4. Ace Data Science Interview

Key Algorithms Learned: Linear & Logistic Regression with Regularisation
Tree-based algorithms, Bagging & Boosting Techniques (Random Forest, Gradient
Boosting Machines), Unsupervised Learning Algorithms (K-means, Hierarchical clustering),
Dimensionality Reduction Techniques
